Diploma Thesis

Company	Title	Abstract
Daimler AG	"Startup of the Aula Mercedes-Benz: vehicle telematics laboratory at the ETSIT of Valladolid"	The Diploma Thesis accomplishes the creation and startup of a new laboratory specialized in vehicle telematics. This laboratory is the result of the collaboration between Daimler AG and the University of Valladolid, which lead to the creation of a new laboratory for the research and decency on vehicle telematic networks. The project also covered the generation of the necessary documentation and the implementation of different measures to keep the private confidentiality of Daimler AG, as well the creation and administration of the Aula Mercedes-Benz Website.
